The Miracle Worker is a 1962 American biographical film about Anne Sullivan, blind tutor to Helen Keller, directed by Arthur Penn. The screenplay by William Gibson is based on his 1959 play of the same title, which originated as a 1957 broadcast of the television anthology series Playhouse 90. Gibson's secondary source material was The Story of My Life, the 1903 autobiography of Helen Keller.

So how did this growth miracle happen? According to analysts from the World Bank and the think tank Brookings, Viet Nam's economic rise can be explained by three main factors: "First, it has embraced trade liberalization with gusto.Second, it has complemented external liberalization with domestic reforms through deregulation and lowering the cost of doing business.

What the Talmud does say is that the important thing is to “advertise the miracle.” People have to recognize that a miracle took place. It is vital to keep the wonder in Chanukah. That is why the rabbis gave more emphasis to the miracle of the lights than the military victory. Wars come and go. Even the glow of miraculous victory can fade.
