The UEFA Financial Fair Play Regulations (FFP) were established to prevent professional football clubs spending more than they earn in the pursuit of success, and in doing so not getting into financial problems which might threaten their long-term survival. Some have argued that they were instituted to

prevent financial "doping" from outside sources injecting money into smaller clubs.

Audiences can't discuss horror films set in the great outdoors without mentioning Deliverance. It's the epitome of the survival horror genre and sets a precedent for making horror fans terrified of the woods. The story starts tame, with four friends from the city leaving their wives and lives behind to escape to the mountains, but soon turns into a vacation from hell.
