The format of *Tastemakers* is a boon, in some ways, because the material of seven lives of highly interesting women is endless—but it may also limit the reader's understanding of the race, class and gender analysis from which it was conceived. To piece these seven discrete biographies together, we rely heavily on the introduction, afterword and process note.

1. Overview. The impression through the twentieth century of Kant as a fundamentally secular philosopher was due in part to various interpretative conventions (such as Strawson's "principle of significance" – Strawson 1966, 16) whereby the meaningfulness and/or thinkability of the supersensible is denied, as well as through an artifact of how Kant's philosophy religion is introduced ...

Pro-Soviet accounts. Soviet historiography on the Cold War era was overwhelmingly dictated by the Soviet state, and blamed the West for the Cold War. In Britain, the historian E. H. Carr wrote a 14-volume history of the Soviet Union, which was focused on the 1920s and published 1950–1978. His friend R. W. Davies said Carr belonged to the anti-Cold War school of history, which regarded the ...
